70 WHEREAS, at this point in time, the Town does not have any regulations addressing the facilities or uses  
71 identified in I-502, other than the requirement for a general business license; and

72 WHEREAS, RCW 36.70A.390 and RCW 35.63.200 authorize the Council to adopt an immediate  
73 moratorium for a period no longer than six (6) months, unless extended, without a public hearing on the  
74 proposal, provided that a public hearing is held within at least sixty (60) days of its adoption; and

75 WHEREAS, moratoriums enacted under RCW 36.70A.390 and/or RCW 35.63.200 are methods by which

85 opportunity to study the extent and validity of the changes in the law, to analyze the impacts and  
86 potential liability under the CSA to Town officials and employees who implement and administer a Town  
87 regulatory system consistent with I-502 and the rules and regulations to be adopted by the Washington

91 uses and activities that purport to be authorized or are actually authorized under I-502, any rules or  
92 regulations to be adopted by the Washington State Liquor Control Board pursuant to I-502, or any other  
93 laws or regulations of the state of Washington to protect the health, safety and welfare of the citizens of  
94 Fairfield; and

95 WHEREAS, the Council desires to impose an immediate six (6) month moratorium on the siting,

99 or regulations to be adopted by the Washington State Liquor Control Board pursuant to I-502, or any  
100 other laws or regulations of the State of Washington; and

101 WHEREAS, the Council adopts the foregoing as its findings of facts justifying the adoption of this  
102 Ordinance; and

103 NOW THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF FAIRFIELD, SPOKANE

108 findings at the conclusion of the public hearing referenced in Section 6 below.

109 **Section 2. Moratorium Imposed.** Pursuant to RCW 35A.63.220 and RCW 36.70A.390, a moratorium is

111 licensing or maintenance of facilities, businesses or other activities or uses involving the cultivation,  
112 production, processing, sale or use of marijuana or marijuana-infused products, or any Marijuana Use  
113 (as defined herein) purportedly authorized or actually authorized under I-502, any rules or regulations  
114 adopted by the Washington State Liquor Control Board pursuant to I-502, or any other laws or  
115 regulations of the state of Washington. No building permit, occupancy permit, development permit,  
116 business license or approval shall be issued for any of the purposes or activities identified in this Section  
117 2 shall be granted or accepted while this moratorium is in effect. Any land uses permits, business  
118 licenses or other permits or approvals for any of the purposes or activities indentified in this Section 2  
119 that are issued as result of error, misunderstanding or by vague or deceptive means during the  
120 moratorium are null and void and without legal force and effect.

121 **Section 3. Definition of Marijuana Use.** As used in this Ordinance, the term “Marijuana Use” is defined  
122 as any store, agency, organization, dispensary, cooperative, network consultation, operation, company,  
123 corporation, or other business entity, group or person, no matter how described or defined, including  
124 any associated premises and equipment that has for its purpose or which is used to grow, cultivate,  
125 select, measure, process, package, label, deliver, dispense, produce, retail, sell, distribute, or otherwise  
126 transfer for consideration or remuneration, or otherwise, marijuana, marijuana-infused products, or

128 any rules or regulations to be adopted by the Washington State Liquor Control Board pursuant to I-502,  
129 chapter 69.50 RCW, or any other applicable law of the State of Washington; provided, however  
130 “Marijuana Use” shall not include any activity involving medical marijuana or medical cannabis  
131 purportedly authorized or actually authorized pursuant to chapter 69.51A RCW.

132 **Section 4. No Nonconforming Uses.** No use that purports to be or actually is a Marijuana Use that  
133 existed or was otherwise engaged in prior to this Ordinance shall be deemed to have been a legally  
134 established use under the provisions of the Ordinance’s, and such use shall not be entitled to claim legal  
135 nonconforming status.

136 **Section 5. Duration of Moratorium.** This moratorium shall be in effect for six (6) months, beginning on  
137 October 2, 2013 and ending on April 2, 2014, unless an ordinance is adopted amending this Ordinance  
138 and rescinding the moratorium before April 2, 2014, or unless the moratorium is otherwise extended in  
139 accordance with applicable law.

140 **Section 6. Public Hearing Required.** As required by RCW 36.70A.390 and RCW 35.63.200, the Council

148 the legality of Marijuana Uses as defined herein, including but not limited to review of the conflicts  
149 between State of Washington and federal law regarding the legality of Marijuana Uses. In the event  
150 such uses are ultimately determined to be legal, the work program should also develop appropriate land  
151 use regulations.

152 **Section 8. Declaration of Emergency.** The council hereby finds and declares that there is a potential  
153 that persons or entities seeking to engage in Marijuana Uses in the Town could file applications with the  
154 Washington State Liquor Control Board and Town or otherwise seek approval under the purported  
155 authority or actual authority of I-502, and claim vesting, and/or the presence of Marijuana Uses in the  
156 Town could have negative secondary effects if not first addressed by adequate and appropriate  
157 regulations, and/or the adoption and adoption and implementation of any rules or regulations by the  
158 Town could subject Town officials and employees to liability under the CSA, and therefore an emergency  
159 exists which necessitates that this Ordinance become effective immediately in order to preserve the  
160 public health, safety and welfare.

161 **Section 9. Effective Date.** This Ordinance shall take effect and be in full force and effect immediately  
162 upon passage, as set forth herein, as long as it is approved by a majority plus one of the entire  
163 membership of the Council, as required by the RCW 35A.12.130.
